## Just So We're All in Agreement

Submitting this application does not guarantee you a position in the Youth Department. It also does not constitute a commitment on your part to accept a position.

All prospective group leaders will be interviewed by the Youth Director. Interviews will be scheduled after this application is submitted and reviewed.

If you are offered and accept a position as a group leader, you are making a commitment to work weekly on Shabbat and monthly at youth group meetings through June, 2012. If you are unable to work, it is your responsibility to arrange a suitable substitute. You are allowed a total of up to 8 Shabbatot off, to be used throughout the length of the contract. You must pre-arrange this with the Youth Director.

In addition to Shabbat groups and monthly youth group meetings you will be required to attend two training sessions throughout the year. Attendance is mandatory and you will receive the equivalent pay/chesed hours of your regular sessions.

As a group leader you are expected to follow the policies and procedures set forth by the Youth Department, which will be provided to you in writing and discussed during the first Department training session.

To ensure a fun and meaningful time for your participants and to make your job easier as a group leader, some preparation during the week may be required (approximately 15 minutes). This may include preparing activities, coordinating with other group leaders or calling children at home.
